

Give me the water

Text and music: Robert Nilsson

Give me the water
before I run dry.

Give me the water
before I run dry.

I'm searching for
the road to the sky.

Oh Lord, please help me,
I need you to know

My life is empty,
my heart is cold.

I'm searching for
the road to the sky.

Oh Lord, give me peace
before you leave me.

Please forgive me.
I didn't see I was blind.

I'm searching for
the road to the sky.

Give me the water
before I run dry.

Give me the water
before I run dry.

I'm searching for
the road to the sky.
